

## Consecration Sunday Is Coming

Congregations that approach financial stewardship from a biblical perspective do not view the money Christians give to their church merely as a way to pay its bills. Rather, such congregations see financial contributions as a way to help people grow spiritually in their relationship with God by supporting their church's mission and ministry with a percentage of their incomes.

Our congregation's finance committee has selected the *New Consecration Sunday Stewardship Program* as a way to teach the biblical and spiritual principles of generous giving in our stewardship education emphasis this year.

*New Consecration Sunday* is based on the biblical philosophy of the need of the giver to give for his or her own spiritual development, rather than on the need of the church to receive. Instead of treating people like members of a social club who should pay dues, we will treat people like followers of Jesus Christ who want to give unselfishly as an act of discipleship. *New Consecration Sunday* encourages people toward proportionate and systematic giving in response to the question, "What percentage of my income is God calling me to give?"

During morning worship on Consecration Sunday, we are asking our attendees and members to make their financial commitments to our church's missionary, benevolent, and educational ministries in this community and around the world.

Every attendee and member who completes an *Estimate of Giving Card* does so voluntarily by attending morning worship on Consecration Sunday. We urge people to attend who feel strongly opposed to completing a card. The procedure is done in such a way that no one feels personal embarrassment if he or she chooses not to fill out a card.

We will do no home solicitation to ask people to complete cards. During morning worship our guest leader will conduct a brief period of instruction and inspiration, climaxed by members making their commitments as a confidential act of worship.

We will encourage participation in Consecration Sunday events through the Consecration Sunday team and governing board members. Since we will make no follow-up visits to ask people to complete their cards, we will make every effort to inform, inspire, and commit everyone to attend Consecration Sunday worship.

Thanks in advance for your enthusiastic participation in Consecration Sunday events.

Church Council Chairpersons,

*Wayne Baldwin & Jane Knight*

## Why Did the Organist Do That?!!!

Grace and peace to you my CBG family. Remember how I mentioned last time that all organists have a screw loose? Well, just for fun, I googled (that's a word now, isn't it?) "crazy organist" and found a forum on Facebook...so, I'm not the only one! Think about all the movies whose lead character is depicted as insane. Chances are they'll be shown playing an organ at some point. Dr. Phibes, Captain Nemo, the killer in *Midnight in the Garden of Good and Evil*, and of course, the Phantom of the Opera spring immediately to mind. It's a "chicken and egg" thing. I have had this discussion with many organists over the years, and we can't decide whether those of us who are "different" are drawn to the instrument, or if it's the act of playing the organ that makes you crazy. Either way, if you're leaving church one Sunday, and your neighbor is commenting on how the service was wonderful, but why did the organist do whatever it is I did, just turn to them conspiratorially and whisper: "Our organist is crazy...just go with it!"

Thank you to everyone who turned out to hear me play at my recital. I am truly blessed to be able to serve such a supportive congregation and play such magnificent instruments!

*Soli deo gloria.*  
Robin

Dear Brothers and Sisters,

I greet you in the name of our Lord and Savior Jesus Christ!

Firstly, I must tell to you that I am still having the best time of my life as one of your pastors! But secondly, I must urge you to be in fervent prayer for the families of Mary Goodell and Carolyn Yeager.

While in my mind I understand that our earthly losses are heavenly gains, just as any flock misses one of its sheep, we too miss Mary and Carolyn in our hearts; and yet we rejoice that they have joined the

great company of heaven in the church eternal. Therefore, even in the face of death, we are still a faithful, growing, thriving flock. We are still a people of joy and laughter, a people of mission and vision; we are the flock of the Great Shepherd, of the Resurrected Christ!

On Sunday, September 26<sup>th</sup>, I shared with you my joy of a new vision for the present-future of CBGUMC. I spoke to you about the urgency and immediacy of a future which has already come to pass in our youth and our children. Now, I know that with growth comes growing pains, but what did the Lord say to Jeremiah and does the Lord say to us this day? Please, read Jeremiah 32:1-15 once again. Jeremiah had faith and conviction in knowing that God would deliver God's promises and that, in the future, houses and fields would be built upon the land is his hometown of Anathoth. Church, our future is now! I am thankful that CBGUMC is a living church! As I see you fill the sanctuary Sunday after Sunday, as I hear you sing God's praises song after song, and I see you give of yourselves for the sake of God's kingdom week after week, I am blessed by you. While I do not pretend to know what God has prepared for us, I know and trust that CBGUMC is an earthly franchise of God's heavenly kingdom. I know and trust that CBGUMC is a heavenly franchise by which we are being transformed and Baytown is being encountered by Christ.

Again, I am still delighted and honored to be one of your shepherds. Please, come by my office anytime. I love visiting with you!

Peace,  
Pastor Luis

# Music Notes

Have you ever thought about singing in a choir, but were afraid that your voice did not have that “star” quality? Are you a part of the “sandwich generation,” torn between helping adult children and aging parents and afraid to commit to anything long-term for yourself? Are you the parent of young children who need to get to bed at a decent hour?

**Joining our Chancel Choir just for the Christmas season** may be the answer to your short-term needs. None of our choirs are auditioned; professionally trained voices, though nice, are definitely not necessary. Our choirs focus on worship leadership, not on being operatic in style. Child-care is provided for all rehearsals, and we work on the Christmas music during the first part of the rehearsal. Young parents are free to leave when they need to.

We would love to include you in our Christmas musical, “Were You There On That Christmas Night.” This will be presented on December 10 and 11, at the Pruett Street campus. Rehearsals are every Wednesday at 7:00pm, in the Choir Room. Contact me at the church or just show up. All are welcome.

See you in the loft,  
Paula
